

SIMAP DATA REVIEW REPORT

4.8.2021

INSTITUTION NAME	DATE OF DATA REVIEW CALL	TYPE OF DATA REVIEW
NAME	DATE	First data review OR Additional data review Add-on: Source data review, if applicable

Thank you for completing a Data Review with the SIMAP team! Below, please find our recommendations for next steps to finalize your carbon and nitrogen footprint calculations. Once you have addressed these items, please confirm by email to simap@unh.edu. Once we agree that your inventory is finalized, we will check the box on the status page in SIMAP indicating the review is complete for the applicable years. In the Appendix, you can see the full list of items we assessed as part of your Data Review.

CATEGORY	RECOMMENDATION
Stationary fuels, etc.	Recommendation 1
Purchased electricity, etc.	Recommendation 2
Commuting, etc.	Recommendation 3

Please contact us at simap@unh.edu with any questions.
