UNH SUSTAINABILITY FELLOWSHIPS

We're excited to let you know that applications for the 2021 summer University of New Hampshire [Sustainability Fellowships](#) are now being accepted!

UNH Sustainability Fellowships pair exceptional students from UNH and colleges and universities across the country with host organizations in New England to work on transformative sustainability initiatives. Each summer, Fellows undertake challenging sustainability projects that are designed to create an immediate impact, offer an extraordinary learning experience, and foster meaningful collaboration.

Become a Fellow and join the next generation of sustainability leaders!

- **Work** with municipal, educational, corporate, and non-profit partners in New England
- **Connect** with a growing network of sustainability leaders (mentors, advisors, alumni and peers)
- **Learn** through hands-on experience and professional development
- **Build** resilience throughout New England
- **Earn** \$6,500 (recent alumni or graduate students) or \$5,200 (undergrads)
