Sustainability Institute

Second
Nature

The new Reporting Platform in SIMAP will offer colleges and universities a new, fully integrated platform for more seamlessly tracking and publicly reporting their carbon emissions, with the goal of meaningfully expediting progress on their carbon neutrality goals.

We will launch the new Reporting Platform in January 2022 to allow plenty of time for annual reporting in the spring.

Stay tuned for more information about how to use the new Reporting Platform, including a webinar in January. We look forward to working with you all in this exciting new program! As always, please contact us at simap@unh.edu with any questions.

REGISTER TO BETA TEST THE NEW REPORTING PLATFORM

Interested in trying out the new Reporting Platform? [Sign up to be a beta tester!](#) Beta testing will take place in December 2021.

SIMAP is powered by:

131 Main Street, Durham, NH 03824 | P: 603-862-8564 | F: 603-862-0785
